

ZOOLORETTO Mission Cards

Catalogue Edition 8 Mini Expansion

5 new mission cards for Zooloretto based on an idea of Rüdiger Dorn.

RULES

All basic rules apply, except when removing animals due to the number of players Only the following types of animals may be removed:

Flamingos, Kangaroos, Leopards.

SETUP

Each player gets a mission card and keeps it hidden. Remove the leftover mission cards face down out of play.

GAME END

At the end of the game everyone reveals his or her card and earns the following score (from top to bottom on the card):

- 1) Each full enclosure containing this type of animal earns +3 points
- 2) Each full enclosure containing this type of animal earns +2 points
- 3) For this type of animal a player does not receive minus points.
